

i was never one body & though it might make
things look easier i don't know-how
reduced to *Get it, girl!* it might make
what with? the bacteria my gut the air
in my chest (i know) i could not be
in one place at one time: the water
i once called *Mine* the 75%-78% of My, my Body That Was
& the straw *That broke bitch*
Calamity Whose took it out of me? *distance*
coming closer i laughed & shouted & cheered
one or two tears *Have you failed to make yourself*
to spread myself i did not sob thankfully
i've never tested my mascara in public name
pockets by how many fingers they hold *Is Nothing Sacred?*
sounds they make play Dig -ing is
to be active more over
plot me on a graph i am here! and here
x & y not u & i
is *Time Elapsed* & is *Hope* (mL) here *Let's Play*
if we glide o (l a b i (&) a) s k e w even here *Left for Dead*
this & ER OS I O N at DELPHI
Is & marathon failure L Y C H
WhAT & too late too late come back
i & u n Der Die Das How many times can
MEAN & /or Mask. Fem. Neu. (meaning *new*)

wish one weren't two

two to mothmoan threee
three asking hyper-thread-
bare s[w]ore notch belt -loop what i know
of strangulation
is how many times

my dad said that's how he would go
white [f]lies suck out the sap like u [shouldn't]
snake venom
from the tomato plants soap solution
won't wash them away we harvest them green well i don't
think hanging
from the ceiling would work

a fannannann&a light No Weighghghtt! N O W E Y!
to be sure to be safe louder
than drinking To Death:
yrself^ no Grave
could be called Early

where soy & corn play hide n seek every year
were basements were sheds
where the Kansas Foster Care system
lost track of 74 kids where hills & hillocks
& cornflowers & chamomile

where flat where All's Well
That Ends well
& the well
Is poison
